Treaty establishing the EEC - Protocol on the treatment to be applied to products from the European Coal and Steel Community in relation to Algeria and overseas departments of the French Republic

THE HIGH CONTRACTING PARTIES,

CONSCIOUS of the fact that the provisions of this Treaty relating to Algeria and the overseas departments of the French Republic raise the problem of the treatment to be applied, in respect of Algeria and those departments, to products covered by the Treaty establishing the European Coal and Steel Community.

DESIRING to seek an appropriate solution in harmony with the principles of the two Treaties,

UNDERTAKE to settle this problem in a spirit of mutual cooperation within the shortest possible time and not later than the first revision of the Treaty establishing the European Coal and Steel Community.

Done at Rome this twenty-fifth day of March in the year one thousand nine hundred and fifty-seven.
