7. *Ad hoc* Committee on Institutional Affairs

The European Council decided to set up an *ad hoc* committee consisting of personal representatives of the Heads of State or Government, on the lines of the 'Spaak Committee'.

The committee's function will be to make suggestions for the improvement of the operation of European cooperation in both the Community field and that of political, or any other, cooperation.

The President of the European Council will take the necessary steps to implement that decision.
