Concluding document of the Belgrade meeting 1977 of representatives of the participating States of the Conference on Security and Co-operation in Europe, held on the basis of the provisions of the Final Act relating to the Follow-up to the Conference

The representatives of the participating States of the Conference on Security and Co-operation in Europe, appointed by the Ministers of Foreign Affairs of these States, met at Belgrade from 4 October 1977 to 9 March 1978 in accordance with the provisions of the Final Act relating to the Follow-up to the Conference.

The participants received a message from the President of the Socialist Federal Republic of Yugoslavia, Josip Broz Tito, and were addressed by Mr. Miloš Mini, Vice-President of the Federal Executive Council and Federal Secretary for Foreign Affairs of the Socialist Federal Republic of Yugoslavia.

Contributions were made by the following non-participating Mediterranean States: Algeria, Egypt, Israel, Lebanon, Morocco, Syria and Tunisia.

The representatives of the participating States stressed the importance they attach to détente, which has continued since the adoption of the Final Act in spite of difficulties and obstacles encountered. In this context they underlined the role of the CSCE, the implementation of the provisions of the Final Act being essential for the development of this process.

The representatives of the participating States held a thorough exchange of views both on the implementation of the provisions of the Final Act and of the tasks defined by the Conference, as well as, in the context of the questions dealt with by the latter, on the deepening of their mutual relations, the improvement of security and the development of co-operation in Europe, and the development of the process of détente in the future.

The representatives of the participating States stressed the political importance of the Conference on Security and Co-operation in Europe and reaffirmed the resolve of their Governments, to implement fully, unilaterally, bilaterally and multilaterally, all the provisions of the Final Act.

It was recognized that the exchange of views constitutes in itself a valuable contribution towards the achievement of the aims set by the CSCE, although different views were expressed as to the degree of implementation of the Final Act reached so far.

They also examined proposals concerning the above questions and the definition of the appropriate modalities for the holding of other meetings in conformity with the provisions of the chapter of the Final Act concerning the Follow-up to the Conference.

Consensus was not reached on a number of proposals submitted to the meeting.

In conformity with the relevant provisions of the Final Act and with their resolve to continue the multilateral process initiated by the CSCE, the participating States will hold further meetings among their representatives. The second of these meetings will be held in Madrid commencing Tuesday, 11 November 1980.

A preparatory meeting will be held in Madrid commencing Tuesday, 9 September 1980, to decide on appropriate modalities for the main Madrid Meeting. This will be done on the basis of the Final Act as well as of the other relevant documents adopted during the process of the CSCE.*

It was also agreed to hold, within the framework of the Follow-up to the CSCE, the meetings of experts of the participating States indicated below.

In conformity with the mandate contained in the Final Act and according to the proposal made to this effect by the Government of Switzerland a meeting of experts will be convened at Montreux on 31 October 1978, charged with pursuing the examination and elaboration of a generally acceptable method for peaceful

settlement of disputes aimed at complementing existing methods.

Upon the invitation of the Government of the Federal Republic of Germany, the meeting of experts envisaged in the Final Act in order to prepare a "Scientific Forum" will take place in Bonn starting on 20 June 1978. Representatives of UNESCO and the United Nations Economic Commission for Europe shall be invited to state their views.

Upon the invitation of the Government of Malta, a meeting of experts on the Mediterranean will be convened on 13 February 1979 in Valletta. Its mandate will be, within the framework of the Mediterranean Chapter of the Final Act, to consider the possibilities and means of promoting concrete initiatives for mutually beneficial co-operation concerning various economic, scientific and cultural fields, in addition to other initiatives relating to the above subjects already under way. The non-participating Mediterranean States will be invited to contribute to the work of this meeting. Questions relating to security will be discussed at the Madrid Meeting.

The duration of the meetings of experts should not exceed 4-6 weeks. They will draw up conclusions and recommendations and send their reports to the Governments of the participating States. The results of these meetings will be taken into account, as appropriate, at the Madrid Meeting.

All the above-mentioned meetings will be held in conformity with paragraph 4 of the chapter on "Follow-up to the Conference" of the Final Act. The Government of the Socialist Federal Republic of Yugoslavia is requested to transmit the present document to the Secretary-General of the United Nations, to the Director-General of UNESCO and to the Executive Secretary of the United Nations Economic Commission for Europe. The Government of the Socialist Federal Republic of Yugoslavia is also requested to transmit the present document to the governments of the Mediterranean non-participating States.

The representatives of the participating States expressed their profound gratitude to the people and Government of the Socialist Federal Republic of Yugoslavia for the excellent organization of the Belgrade Meeting and the warm hospitality extended to the delegations which participated in the Meeting.
