

New share-out of ERDF resources as from 1 January 1986

Caption: New allocation of resources from the European Regional Development Fund (ERDF), adopted by the Council on a proposal from the Commission and applicable as from 1 January 1986 in order to take into account the accession of Spain and Portugal to the European Communities. The proportion of the resources received by a Member State is based on the GDP per citizen of its disadvantaged regions and on the size of the population in these regions.
