Brussels European Council (15 and 16 December 2005) Presidency Conclusions

Delegations will find attached the revised version of the Presidency Conclusions of the Brussels European Council (15/16 December 2005).

1. The meeting of the European Council was preceded by an exposé by the President of the European Parliament, Mr Josep Borrell, followed by an exchange of views.
2. The European Council recalls the importance of the common European values of solidarity, social justice and sustainability as the basis for the development of the Union's policies. This constitutes the framework in which the guidelines set out in these conclusions should be taken forward.

The European Council recalls the EU's support for an effective multilateral system based on the rule of law, and the need for a United Nations better equipped to meet the challenges of the 21st Century.
