THE AMSTERDAM TREATY

Building Our Future At The Heart of Europe

Ireland has benefited enormously from our membership of the European family. The Amsterdam Treaty is the next stage in the process of building closer co-operation with our European partners. The European Union has been a tremendous force for good throughout the entire continent.

Ruairi Quinn, TD

The Treaty will give the European Union new powers to tackle problems and issues which affect people such as unemployment, discrimination, crime, the environment and public health.

By voting 'YES' on Friday, May 22nd you will lay the foundations for the Europe we want to build in the 21st century. The Labour Party wants Europe to become more democratic and relevant to the needs of people. With your support we can make this happen

Yours faithfully,

Ruairi Quinn TD
